

Annexure - ii

The feedback forms received from the Alumni, students and Parents present an encouraging picture of the Institute.

Students have found the teachers punctual and sincere. The teachers have been found to deliver value added education to the students. Students are satisfied with the academic ambience within the Campus. Parents and alumni are happy with the projects going on for infrastructural developments. They also lamented the apathy of the state Govt. in the appointment of teachers. Analysis suggests the supportive nature of the office staff in solving their problems. Students are satisfied with the extra curricular activities which are organized as per the academic calendar.

The alumni offered their services for the beautification of the campus.
